Dear [Redacted]

25X1

With reference to my message No. 161556 concerning my trip to Sasebo, Okinawa and Korea, I assume that your arrangements are all made through the G-2 Section. However, Lt. Col. Sam Otto, who, I believe, is Secretary to the General Staff in Tokyo, is a classmate and very good friend of mine. Also, Lieutenant Herman Kaesser is, I understand, in Tokyo and I think his assignment is Liaison Officer with Korea.

Please informally and unofficially tell both Sam Otto and Herman Kaesser that I am coming over and I am sure that either one of them would do anything within their power to assist me in making whatever arrangements I might want to make. If they are in the assignments I think they are, they should be in a position to be quite useful.

I am looking forward to seeing you on or about the first of February and will try to keep you advised if there are any changes in my plans.

Sincerely yours,

**L. K. WHITE
Chief, FBIB**
